Seeking a co-op training position to gain hands-on experience in the field and contribute to a team environment. Proven ability to communicate effectively, solve problems, analytical skills, and manage time.

Proficient in Microsoft Office, C++, and MySQL.

## EDUCATION

2020-2024

### **Bachelor's Of Management Information System**

Imam Mohammed Ibn Saud University

GPA: 4.19.

#### **Graduation research:**

The role of management information systems and their impact on the performance of banking organisations: A field study on SNB AlAhli.

The study aimed to investigate the role and impact of management information systems on the performance of banking organizations. The study assumed a positive relationship between proper design of management information systems and banking organizations' performance. The study was conducted among employees of Alahli Bank in Riyadh, Saudi Arabia, using a purposive random sampling method. Electronic questionnaires were distributed to 60 participants, with 51 valid responses collected for statistical analysis.
